

# SAVE THE DATE

## Parent Workshops

In conjunction with our neighboring school districts, several workshops are planned for special education parents throughout the 2021-2022 school year. Please join us for these interesting and informative evenings.

**March 9, 2022**

### **“Reading with Your Child”**

The Reading with Your Child workshop will explore the benefits of reading at home. Adults will learn about strategies and resources to help develop early literacy skills in their child. This workshop will include helpful strategies to use with your child’s current reading abilities, as well as other supports and resources.
