

STUDENT ACCIDENT INSURANCE

2023-2024 SCHOOL YEAR

This is a reminder to parents with a child or children **attending** school in our School District that we do not carry medical insurance on students and are not responsible for student accidents and injuries. The School District does not assume financial responsibility for student accidents or injuries. Therefore, we recommend you consider purchasing student accident insurance unless your personal insurance has accident coverage. The District does provide parents with the opportunity to select a primary accident insurance plan for students. Student accident insurance can help you manage the possibility of out-of-pocket expenses, since many group insurance policies no longer pay full hospital and medical expenses and may require a deductible or coinsurance. There are two plans available for your consideration; neither option includes interscholastic sports:

- **Plan #1 School Time Coverage** – Costs \$22.50 per student – This will cover injury occurring while the student is traveling to and from school, while attending school sponsored activities such as plays, assemblies, class trips, intramural sports, gym, and physical education classes, etc.
- **Plan #2 24 Hour Coverage** – Costs \$90 per student – This will cover all of the above, plus accidents occurring away from school, in the evenings and on weekends, vacations, etc.

Please note that the plans should be considered in conjunction with any other family medical insurance you may have.

Please see the attached Brochure for a complete description of the plans and the various coverage options. If you have any questions, please call the insurance broker customer service line at A-G Administrators LLC directly at 610-933-0800.
