

Big Spring School District Chromebook / Laptop Agreement

I acknowledge that we have received the following documents with my child's device and will ensure that we have read and understood them, in full, prior to my child bringing their device to school for the first time.

- Big Spring School District Chromebook / Laptop Guide (located on the BSSD website)
- Big Spring School District Chromebook / Laptop Agreement
- Big Spring School District Responsible Use Agreement

Student Agreement

As a learner, I agree that I will:

- Use my device for educational purposes.
- Follow the procedures and policies outlined in the Chromebook / Laptop Guide and Big Spring School District Responsible Use Agreement both at school and at home.
- Protect my device by carrying it securely in my district-issued carrying case and preventing careless or malicious damage.
- Never leave my device unattended in an unsecure or unsupervised location.
- Charge my device's battery to full capacity each night.
- Report all damages to or issues with my device to the school librarian /media specialist immediately.
- Not try to repair damages myself or take the device apart.
- Not alter or attempt to change, disable, or circumvent the management settings or virus protection software on my device.
- Not install or use VPN or proxy services to access non-educational websites blocked by district content filters.
- Never share my device or password with other students or individuals.

I understand **that each infraction will be handled based on the situation, but typically that the first** offense of any violation of this agreement will trigger a two weeks suspension of my social media privileges. A second offense may result in the suspension or loss of my Chromebook / Laptop and school network privileges. Additionally, I may face disciplinary action for such violations up to and including suspension or expulsion.

Parent Agreement

I understand that my family's responsibilities include:

- Ensuring my child meets the expectations outlined in the Chromebook / Laptop Guide and the Big Spring School District Responsible Use Agreement.
- Protecting the device, within reason, against damage, loss or theft while it is at home or outside of school.
- Ensuring my child immediately reports damage to the school librarian/media specialist.
- I understand that should damage occur to the Chromebook / Laptop assigned to my child due to intentional damage, I will be solely responsible for reimbursing the school for repair or replacement costs.

In consideration of the privileges and opportunities afforded by the use of BSSD technology resources, I hereby release the BSSD, its employees and directors from any and all claims of any nature arising from my child's use or inability to use these resources, including but not limited to claims that may arise from unauthorized use of a device.

I also understand that it is impossible for Big Spring School District to restrict access to all controversial materials and I will not hold the District responsible for materials accessed with a District Chromebook / Laptop.

I accept full responsibility for my child's use of the device while not in a school setting and understand that my child's Chromebook / Laptop use is subject to the same rules and requirements when used off-campus. I understand that my child's device privileges may be suspended or revoked for violation of this Agreement. I also understand that my child may be subject to disciplinary action up to and including suspension or expulsion for such violations.

Protection Plan Agreement

As part of their participation in the Chromebook / Laptop program, students are required to purchase a protection plan for their device. The Cost of the protection plan is \$25.00. Under this plan

- The District will provide coverage for one repair or replacement in the event of accidental damage. Subsequent damages will be the responsibility of the student.
- The protection plan does NOT provide coverage for loss of the device and/or accessories, cosmetic damage, or damages caused by intentional misuse and abuse.
- Students will be responsible for the full cost of replacement if it is determined that damage has been caused by intentional abuse and/or misuse.
- The District reserves the right to request parents/guardians to pay additional fees based on claim history on loss, theft and damage.
