

## Protection Plan

Students are required to purchase a protection plan for their computer for a fee of \$25. The protection plan will cover the cost of a one-time repair or replacement in the event of accidental damage or theft. This protection plan does not cover for loss of the device and/or its accessories, cosmetic damage, or damages caused by intentional misuse and/or abuse. **Replacement is at the discretion of the principal.**

## Filtering

The District utilizes an Internet Content filter that is in compliance with the federally mandated Children's Internet Protection Act (CIPA). All computers, regardless of physical location (in or out of school) and Internet connection, will have Internet activity filtered. Despite the filter, the District cannot guarantee that all controversial or inappropriate materials will be blocked.
