**(717) 776-2000**

Dear BSSD Volunteer,

I personally welcome you to our schools and thank you for volunteering your services to the students and staff of Big Spring School District. We believe members of our community have a role in preparing our children to be productive members of society. Therefore, the Big Spring School District has re-established and re-defined the volunteer program.

Research clearly states children whose parents are involved in their school activities achieve at higher levels than those whose parents are not involved. We feel that parents are partners in the educational process and sharing their time and talents greatly benefits all of our children.

The safety of our students remains our priority. Therefore, clearances will be required of volunteers that may have regular, direct contact with children. In addition, according to state law, volunteers will be required to have a tuberculosis (TB) test before working with students. Additional information on clearances can be obtained in this handbook or at the offices at each of the schools.

We appreciate your interest and involvement and look forward to working with you in a combined commitment to the children of the Big Spring School District.

Sincerely,  
Dr. Nadine Sanders  
Assistant Superintendent

## Frequently Asked Questions

### **Q - Why volunteer?**

A – As schools have increased responsibilities for educating children, a greater need exists for supplemental support. You do not have to have any special training or talents, just an interest in getting involved.

### **Q – Who is qualified?**

A – Anyone interested in contributing his or her interest talents and experience may volunteer.

### **Q – Are there requirements for volunteers?**

A – The state of Pennsylvania requires any individual working with children to have a TB test on record. Additionally, those volunteers who may have regular, direct contact with children will need additional clearances required by state and federal law. See chart on page 3.

### **Q – Does a volunteer have to obtain a new TB test and clearances each year?**

A – A TB test is required once prior to volunteering. For the types of volunteers who will need clearances, these have to be obtained prior to volunteering and then once every five years. However, each year we will ask volunteers to sign an affidavit indicating that there have been no offenses since the initial clearances.

### **Q – Will I be able to fit volunteering in my busy schedule?**

A – While some volunteer positions require regular time commitments, most volunteers contribute according to their own availability. Many needs arise only on a periodic basis and some tasks can be performed evening or weekends.

### **Q – Are volunteers covered under the School District's liability policy?**

A – While performing school obligations in our District, volunteers covered under the school district's liability insurance policy are the volunteers in the Independent Volunteer/Coach/Sponsor category (those who have updated clearances on file).
