

Driving and Parking Information

The complete Driving and Parking Policy can be found in the Student Handbook located on the High School website under the Parent/Student Resources tab.

Here are some highlights from that policy:

- Parking privileges are granted only to 11th and 12th grade students
- Parking hang tags must be displayed on the rear-view mirror
- Students may only park in student assigned parking areas designated by WHITE parking stalls
- Students may not transfer parking permits to anyone

Procedure for Registration

In order to register a vehicle, a student must have in his/her possession and present:

1. A valid registration card for the primary vehicle to be driven
2. A valid Pennsylvania Driver's License
3. Proof of insurance for the primary vehicle driven
4. A properly completed Big Spring driver registration form
5. **One parking hang tag will be issued per student**

Loss of Driving/Parking Privileges

If a student with a parking/driving permit misuses the privilege by skipping any part of the school day and leaving school premises and/or if a student with a parking/driving permit is discovered to have provided transportation for another student to leave school grounds without permission, the student faces immediate revocation of his/her parking/driving permits in addition to the regular sanctioned punishment.

Excessive unexcused tardiness will result in a suspension/loss of parking privileges.

Permits revoked for any reason will not be reinstated for that school year.

Students who drive to school after having their parking privileges suspended will face the following consequences:

First offense – Fine and in-school suspension

Second offense – Fine and out-of-school suspension

Third and subsequent offenses – The student's vehicle will be towed from school property at the student's expense and out-of-school suspension.

Students who violate the District's Drug and Alcohol Policy will lose their driving privileges for one calendar year beginning upon their return to school.
