

Excellence in Education Program

An educational incentive program for students K-12, who are club members of Belco Community Credit Union

How the program works:

- Belco will pay \$1 per “A” in any subject up to (5) maximum per marking period when a parent matches the dollar amount. Redeem report cards at any branch location.

- Students are required to have a Savings Account and either a Savings Safari Club Account (12 and under) or an Xtreme Teen Savers Club Account (13-18). Funds are deposited into the club account unless specified differently.

- Only the latest marking period will be accepted. Students have until the next marking period to “cash-in.” Deadlines for final report cards will be the end of July.

- Parents should bring a complete copy of the report card, including an explanation of the grading scale. Report cards with straight A’s at the end of the school year can be submitted for a chance to win a \$50 Visa® gift card. Report cards must be received by the end of July. The random drawing will occur the first week of August and the winner will be notified.
