

BIG SPRING SCHOOL DISTRICT
Building and Grounds Department
45 Mount Rock Road
Newville, PA 17241
717-776-2000 Ext. 1603

TO : Dr. Richard Fry, Superintendent
FROM : Timothy Drawbaugh, Director Maintenance Services
SUBJECT: Tri-annual Asbestos Inspection of All District Buildings
DATE : July 1, 2019

In accordance with state and federal asbestos management guidance, I have compiled all available data during the last six months (Dec 31st, 2018- Jul 1, 2019) all district buildings are asbestos free except for Mount Rock Elementary. A map is attached to show where the asbestos tile is located. The tile is covered by carpet and remains intact.

The Big Spring School District certified asbestos supervisor conducted the triennial re-inspection and management plan on July 1, 2019. The next triennial inspection is scheduled for 2022. Asbestos Hazard Emergency Response Act (AHERA) law requires each school, kindergarten through twelfth grade, to maintain these reports with their asbestos plan, available to the public. A copy of the report is available in the school office and will be made available to the public upon request.
