

BIG SPRING SCHOOL DISTRICT
Building and Grounds Department
45 Mount Rock Road
Newville, PA 17241
717-776-2000 Ext. 1603

TO : Dr. Richard Fry, Superintendent
FROM : Timothy Drawbaugh, Maintenance Director
SUBJECT: District Administration Center (Annex) Semi-Annual Asbestos Update
45 Mount Rock Road
DATE : Jul 1, 2019

In accordance with state and federal asbestos management guidance, I have compiled all available data during the last six months (Dec 31st, 2018- Jul 1, 2019) and report that the DAO is asbestos free.

All known asbestos was abated from this building during the 2005 renovation. The VCT floor covering in the attached old band complex was abated by First Capital Insulation Inc. in the summer of 2018.

The Big Spring School District certified asbestos supervisor conducted the triennial re-inspection and management plan on July 1, 2019. The next triennial inspection is scheduled for 2022. Asbestos Hazard Emergency Response Act (AHERA) law requires each school, kindergarten through twelfth grade, to maintain these reports with their asbestos plan, available to the public. A copy of the report is available in the school office and will be made available to the public upon request.
