## Joining the Google Classroom Training - Guardians

- I. Go to google.com and log in to the Big Spring Google account that you have access to:
  - <u>Guardians</u>: Use your student's email account information. Their email account will be their district username & will end with @bigspringsd.org, and your student will be able to share their password with you. If your child is logged into their district-issued Chromebook, you can use their Chromebook and you will automatically be logged into their account.

- 2. Go to classroom.google.com
- 3. In the top right corner, click the + button & then select Join Class.

4. Type in the class code (d2zpeli) and select Join in the top right corner.
