

BIG SPRING SCHOOL DISTRICT

District Improvement Committee

2022-2023

The District Improvement Committee exists to provide a platform for the Big Spring School District administration and staff to communicate with the community and to solicit input and/or feedback on various district programs, services, or processes. This process not only assists in addressing immediate topics of interest to our stakeholders, but is also critical for the District's long-term strategic planning.

Three cycles of input and feedback will transpire throughout this school year. Two of these cycles will include a request for the school community to engage in a ThoughtExchange Survey on a question relevant to the Strategic Plan. Ultimately, the most desired topics for updates will help to inform the agendas for the meetings. Additionally, building principals will give updates on their buildings plans and progress towards the District's goals.

The meeting date / locations area as follows:

- **November 17, 2022:**
 - Location: District Board Room
 - 6:00 p.m. – 7:30 p.m.
 - Topics: Strategic Plan Review
ThoughtExchange Data Review
Building Plan Reviews: Oak Flat and Newville
- **January 19, 2023:** Community Forum / District Improvement Committee Meeting
 - Location: District Board Room
 - 6:00 p.m. – 7:30 p.m.
 - Topics: Strategic Plan Update
Local Advisory Committee Agenda Items
Building Plan Reviews: Mt. Rock
- **April 20, 2023:** Community Forum / District Improvement Committee Meeting
 - Location: District Board Room
 - 6:00 p.m. – 7:30 p.m.
 - Topics: Strategic Plan Update
ThoughtExchange Data Review
Building Plan Reviews: BSHS and BSMS

Ultimately, the work of the District Improvement Committee provides for better feedback from the community and greater transparency on the District's initiatives, goals, and focus areas. All community members are invited to engage in the ThoughtExchange and/or attend the meeting in person.

Thank you and we hope to see you there.
