

# TITLE I READING PROGRAM

*Big Spring School District*

*June 6, 2022*

# OVERVIEW

- Our Title I program serves 20% of students in grades K - 3 deemed to have the greatest literacy needs.
- Two reading intervention specialists at each elementary building provide researched-based interventions in small groups.
- A Title I Coordinator provides leadership on assessments, interventions, instruction, coordinating events, and Title I regulations.

# TITLE I FUNDING

Six reading intervention specialist salaries and benefits

Parent involvement

Supplies and books for intervention programs

Non-public reading intervention

McKinney-Vento / Homeless Family Support

## READING TEACHERS

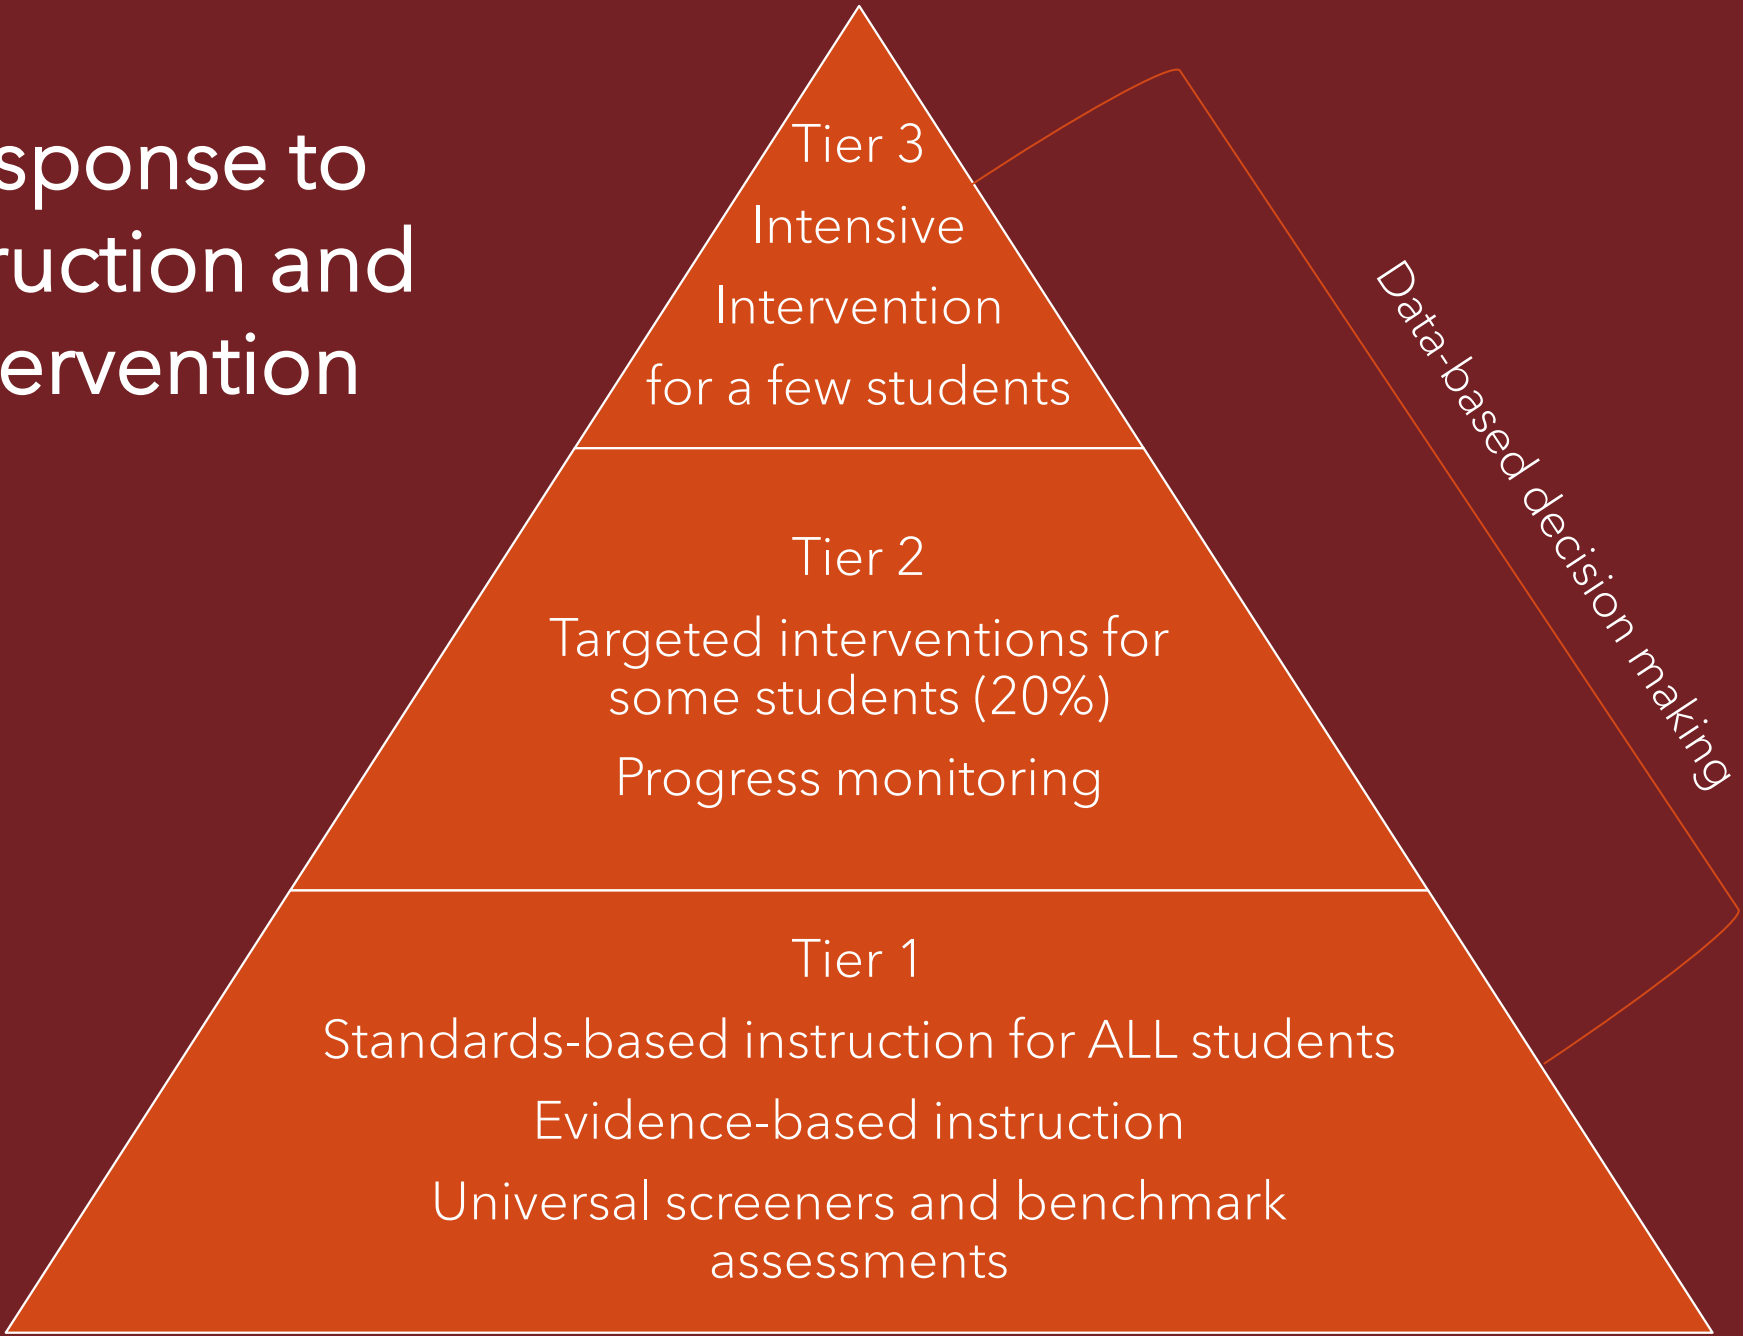

---

Primary responsibility is to provide interventions to 20% of students in grades K - 3 considered to have the greatest literacy needs based on data.

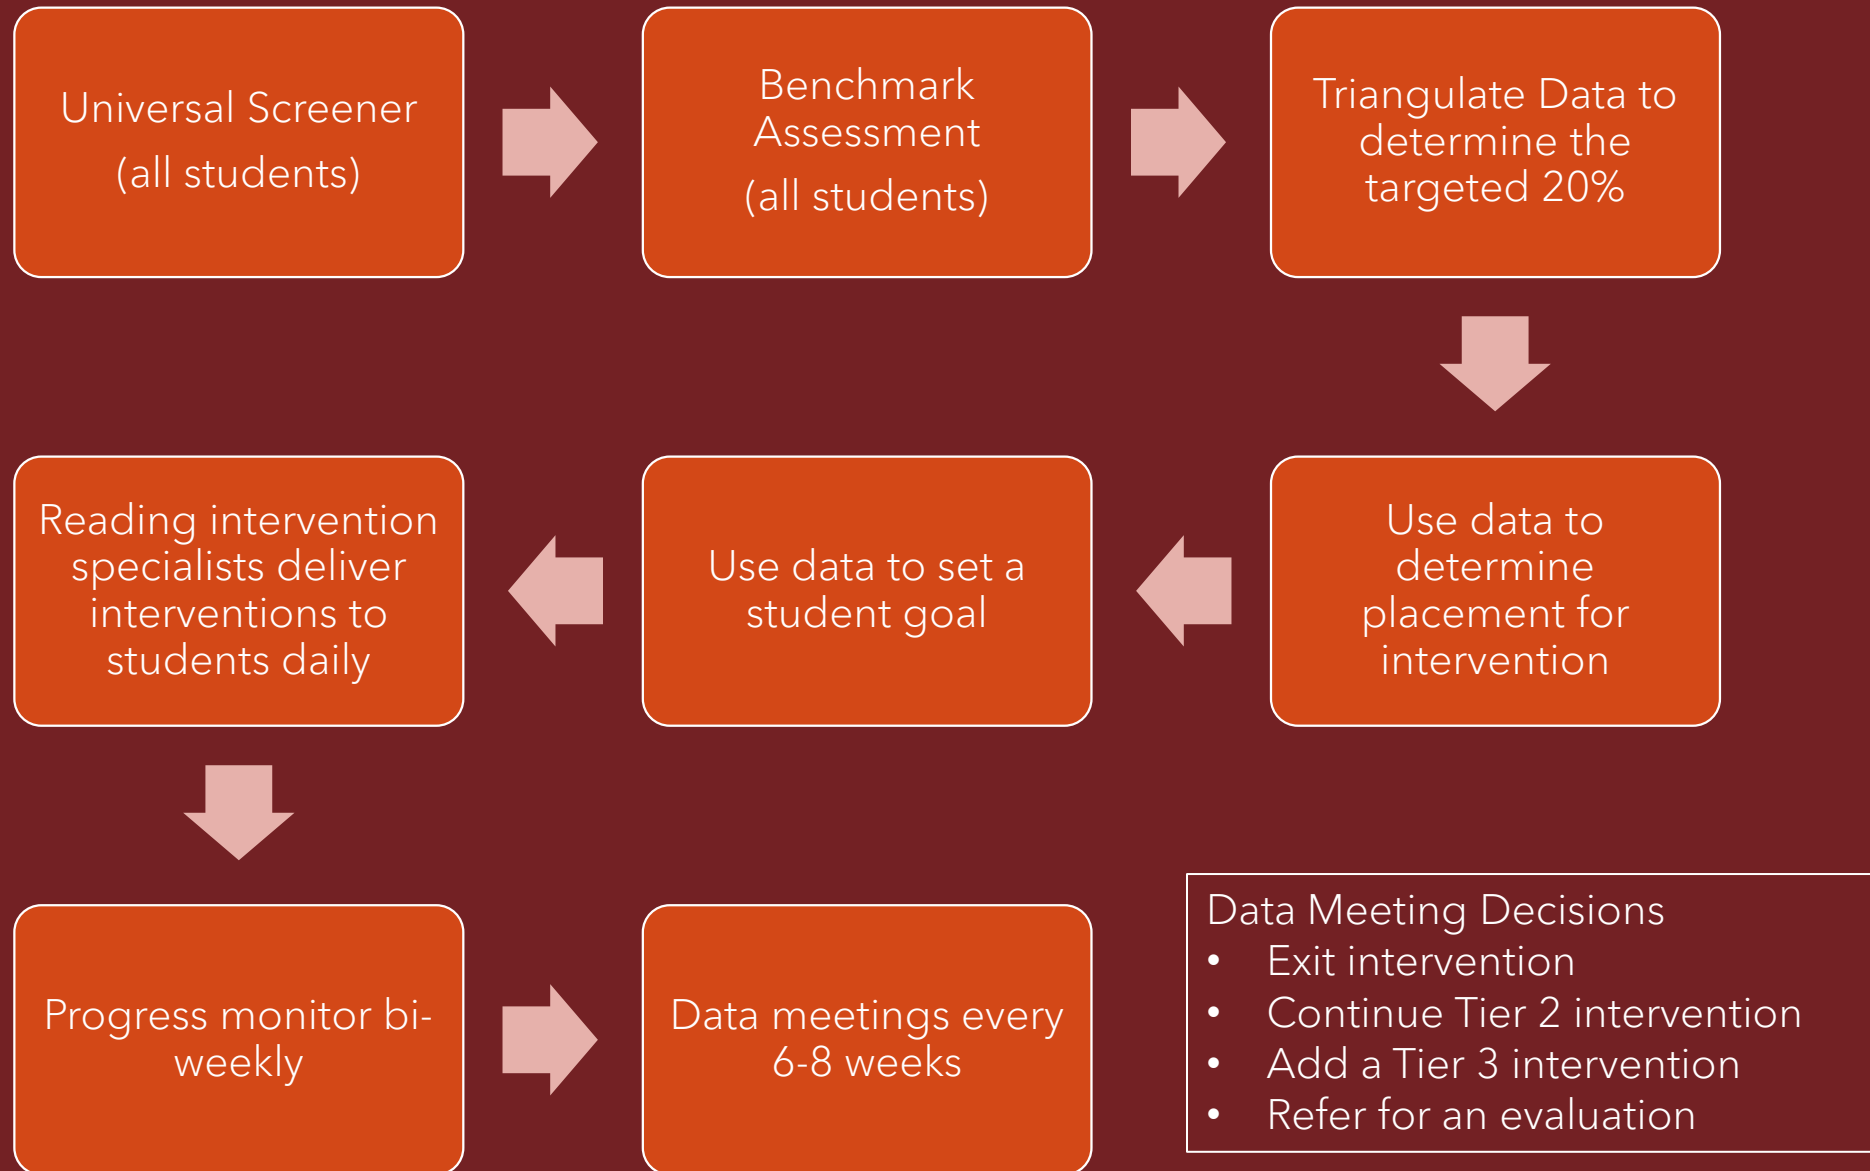

---

Additionally reading intervention specialists may model or co-teach lessons in phonological awareness, including phonemic awareness, and phonics in the primary grades.
