

Big Spring Aquatic Club

We are pleased to announce that the Big Spring Aquatic club (BSAC) will begin its Summer Season on Monday, May 12, 2025! BSAC is a competitive swimming team that includes young athletes from kindergarten through high school. We compete against other area clubs at regular dual season meets, invitationals, and at division championships at the end of the season. Summer season is mid-May through the end of July.

8 and under swimmers: Young athletes who can swim the length of the pool (25 yards), **unassisted**, are eligible to join our team. Instruction in how to swim freestyle and backstroke are our primary focus. Swimmers who can swim the length of the pool are eligible to compete at meets once they are comfortable. **Athletes are expected to attend two practices per week only, on Monday and Wednesday.**
