  - Kids who sold 15 or more were entered into a drawing for prizes.
  - Offering the option to send the sandwiches home on the bus worked well; will offer again next year.
  - There was an error made on the pricing which needs fixed for next year.
    - We made \$2.00 per sandwich this time, and last time we made \$3.00, so we were \$1.00 short on the margin.

- Updating the PTO part of the website
  - Caroline is going to deal with it over the summer; a parent is going to help spruce it up.
- Family Fun Night Feedback
  - Everything went well, plenty of snacks. It was good to ask people to bring a snack or drink, made it easier than trying to fill up the containers. Also made it free for PTO (no budget needed).
  - Thinking about doing it again in the Fall, possibly November. Principal Ward is checking into the schedule.
